This channel deserves having 1M subs, **all her videos are full with so much knowledge and details.** . . .

f4rt

Difficult to hear and hard to learn . . beautifully and heart-breakingly well written and narrated so perfectly.

palmtreeleebythesea

**What a great story teller you are. I love your loving and honest voice . . . .** Your videos are amazingly good with a truly sharing voice for the good of all. Best, Lee

Rep Tille

Thank you for your work. I gather my friends and watch your clips.=

Lonnie Gordon

**One of the best presentations of this subject I have seen. Clear and concise.** Thank you so much for making a video I can share with friends. I share Dane's broadcasts every week but **this is different, and very much appreciated.**

Wilbert Rosero

This is pure enlightenment to me, . . .

Andrew Miranda

Yeah **this voice is a lot better. Now your channel is 10/10 type of quality**

Zero Geez

Best quote at 35:45 "Labeling something as a conspiracy can be a powerful form of propaganda, which creates confusion and distrust of the truth." . . .Brilliantly assembled video

Y H

Congratulations. **The best I've seen on the subject ever! (the voice & tone of the narrator makes it perfect.)** thank you ☐☐

Chemical Winter

Thank you so much for helping get this out to so many more ppl. Ur explanations and narration are very good.

Rusty Scott

I've been watching this subject for a couple of years now, and yet I learned a few new things from this video. Thank you for posting this and excellent job, very well put together!!!

Nancy Newman

Excellent idea to have a calm, female voice narrating this film. Much easier to assimilate disturbing info this way.

stephan dreamweaver

**your voice and precise information is perfect!!!** finally TRUTH!

Gee Meel

**Wow MIND-BLOWING... very well explained and greatly presented.** Thank you for making this also audible for non-native speakers!! (in terms of the pace of speaking!)

Dylan Cla

I've been studying this subject for years . . .this vid was well done, as usual, from you. This will be added to my educational vid to show others absolutely great work!!

mazen Daouk

**this is the best video I've seen on the subject.** absolutely great. good job.

Patrickak2013

Best video to see, it's about time to wake up more people. . . .love this voice.

Annette Iowa

Just shared on Twitter! Thank you!!!!

Najib Ali

When I watch this channels video, I wonder how and where they get all the information from?  
I would like to know how they dig out so much information - and so relevant

Leiah Solfeggio

Brilliant video explaining this phenomena.. One every man, woman and child should take a look at.

cc cc

Excellent Vid!! Very clear and concise...if you don't get it watching this, then you never will.

12:17....mind BLOWN!!! . . .UIY: best show on YouTube.

Piscean X  
**This was one of the best documentaries on Mars I have ever seen!**

Keith Naylor  
Interesting mystery. You may not believe what may be the truth, BUT, **one thing is certain - the narration by E Firestone (is that a real name?) is brilliant - clear, words paused and stressed in all the right places and importantly, NOT rushed. This should be the voice heard on all informative videos and documentaries!**

MotorcycleMan  
Love this narrator's voice. Sexy, smooth and helps me get to sleep at night.

Yusak Darongke

I'm here for the voice..very relaxing..

Escape Reality

I love that you actually share FACTS!!! . . . not like these crazy other channels!!!!

Jim Barrett

**This is one of the best videos I've seen produced on YouTube. A great pleasant voice giving a simple easy paced guide throughout the entire film.** No annoying music or sounds, just a great production. Very well presented! I wish more filmmakers would learn from this one and follow suit.

Aerial Horizon RC

**Her voice sound like the narrator you hear on PBS station about science, Astronomy or ancient history.**

Mark Edwards

Very nice presentation. The associations are very well explained. . . ."There are none so blind as those who will not see !"

## TESLA

Charles Moore

**I've seen quite a few videos on YouTube about Nikola Tesla but this one by far is my favorite! I must also admit that the voice of the narrator speaks with the most pleasurable of frequencies. I always look forward to her uploads!**

Aussie T-Sweet

**Wow. Video of the YEAR!!** What amazing revelations!!!

Jon Bojsen Kværndrup

Nice voice :) - the way she says "just hit the bell button" at the end gave me goosebumps...

andy m

great vid . ive been banging on about tesla for many years to all who suffer my presence but **I'm loving this truly beautiful soothing female voice! we would all be occupying other planets by now if she taught science in high schools, totally beautifully delivered ! many thanks!**

Carol Drazek

It touched me inside. Thanks for creating this great video!

John Stringer

FANTASTIC EPISODE. . . **I love the way that UIY explains it in detail.** Every time I watch these shows I learn something incredible and I look forward to the next episode.

Kyla Crush

**Did Universe Inside you just makes Physics Sexy? I think so!!**

This Video was so Beautiful!! . . . Also **to explain the multiverse theory in simplified layman's terms . . . was just incredibly well done... Especially when detailing the exact definition of string theory while seamlessly breaking down the particles of an atom**

Jordan Kirwin

. . . Your speaking voice is so great, thank you!!!

Leon Stark WR YT

MINDBLOWING! The theories, the voice and speech, the Background music, the visualization, the whole video perfect!

Iaroccam

Great job Elisabeth, as always!

Madame Raven

Some just told me you sound like me. Or I sound like you. either way, I don't think so, I think you sound better, which would be why you have a much bigger channel.. Wonderful channel you have, Subbed.

BennyB5555

Narrator sounds a bit like Brenda Strong! The inflection of the narrators voice is quite calming.

Suha Canaan

It's just wonderful and easy to follow and comprehend; thank you very much!
